Vintage Overview

2012 was a great vintage for many of the aromatic white wines such as Riesling. The combination of perfectly ripe fruit and a longer growing season led to near perfect chemistry in the winery.

Flavor & Aroma

Aromas of fresh fruit followed by concentrated flavors of apples, apricots and peaches complemented by honey undertones.

Aging Potential

Proper cellaring will reward the patient in five plus years.

Thoughts for Food

Grilled spicy chicken kabobs, pear and blue cheese spinach salad, roasted duck and peach cobbler. Other suggestions include spicy ethnic cuisine, traditional German foods and Asian fusion.
