Sirius Red Dessert Wine

Following in the style of our other Sirius Dessert wines this wine is wonderfully sweet and fragrant. This wine is made in a young ruby port style and is aged in oak barrels for up to one year. The result is a decadent after dinner treat.

Vintage Overview

Our Sirius line of dessert wines are non vintage specific because they are made from a mix of fruit from different orchards and then fortified with grape or fruit brandy. High quality fruit is always sourced and blended into each batch.

Flavor & Aroma

Dark berry spice with hints of mocha and sweet warm alcohol on the finish.

Aging Potential

Enjoy this wine for the next five to ten years.

Thoughts for Food

For those with a sweet tooth this is the perfect accompaniment for rich chocolate desserts and vanilla ice cream. If you prefer the savory foods try this with rich pungent cheeses.
