Winter Harvest Riesling

This unique wine was made from fruit harvested the week of Christmas. Crafted in the style and spirit of ice wine it is rich and dense with a decadent lingering finish.

Vintage Overview

2011 was a great vintage for many of the aromatic white wines such as Riesling. The combination of perfectly ripe fruit and a longer growing season led to near perfect chemistry in the winery.

Flavor & Aroma

Aromas of sweet ripe fruits are followed by flavors of apples and apricots that are complemented by honey undertones.

Aging Potential

Enjoy this wine for the next five to ten years.
