

Red House Rosé

This fun filled and light bodied wine has a fun and casual place at the table.

Vintage Overview

Our Red House wines are non vintage specific as they are often made from a blend of different grapes. High quality fruit is always sourced and blended into each batch.

Flavor & Aroma

This wine is reminiscent of candy flavors of strawberry and watermelon with a slight red licorice tang.

Aging Potential

Drink now or within the next two years.

Thoughts for Food

The sweet, fruity flavors of this wine make it a great accompaniment to sweet-style bbq sauces, or dry rubs with a good bit of heat. It is also great with simple desserts such as strawberries and vanilla ice cream.
