Sirius White Dessert Wine

Inspired by the Pineau des Charentes wines of the Rhone Valley as well as by the Ratafia wines of Champagne, this white cordial is beautiful as an aperitif or as a casual, sweeter digestif.

Vintage Overview

Our Sirius line of dessert wines are non vintage specific because they are made from a mix of fruit from different orchards and then fortified with grape or fruit brandy. High quality fruit is always sourced and blended into each batch.

Flavor & Aroma

Honey, warm spice and vanilla undertones.

Aging Potential

Enjoy this wine for the next five to ten years.

Thoughts for Food

This cordial can be served as an aperitif or as an accompaniment to almost any dessert. Vanilla, fruit, and nuts pair especially well, as do ripe, creamy cheeses. Recommendations include, peach pie or cobbler, strawberry shortcake and cheesecake.
