

Black Star Farms Cherry Wine

Tasting Notes: This is a delightful semi-dry style cherry wine made from all Northern Michigan cherries. It has a wonderful combination of sweet and tart cherry flavors and a refreshing finish. Dark red fruit aromas and a hint of spice are followed by rich sweet and subtly tart cherry flavors. The semi-dry style of this fruit wine makes it very food friendly. Recommended cuisine includes BBQ meats, fruit and cheese plates, and spicy ethnic fare.

Residual Sugar: 4%
