Black Star Farms is located on the same 45th Parallel that runs through some of the great wine regions of the world. Our unique “lake effect” climate allows us to produce classic varietal wines that truly express our dynamic wine region. Fruit is sourced from both the proprietor’s vineyards and from those of local grower partners on the Old Mission and Leelanau Peninsulas. This diversity allows us to obtain consistent quality across vintages.

Winemaker Comments

This is our third vintage of Gamay Noir. Gamay is the principal grape in Beaujolais. It drinks very much like Pinot Noir, and like Pinot Noir is excellent with an extensive array of food. Proper cellaring will reward the patient in ten-plus years.

Tasting Notes

This medium/light-bodied wine has aromas of fresh-cut violets followed by tart red fruit notes on the palate with subtle earthiness on the finish

Thoughts for Food

Gamay Noir is a very versatile red wine and is a wonderful addition to many meals. Some of our recommendations include grilled meats such as pork or lamb, hanger steak with chimichurri, grilled salmon with Dijon glaze, or Cajun shrimp and grits.
