

Black Star Farms Red House White

Black Star Farms is located on the same 45th Parallel that runs through some of the world's great wine regions. Our unique "lake effect" climate allows us to produce classic varietal wines that truly express our dynamic wine region. Fruit is sourced from both the proprietor's vineyards and from those local grower partners on the Old Mission and Leelanau Peninsulas. This diversity allows us to obtain consistent quality across vintages.

Winemaker Comments

This wine was composed to reflect the variety of the region and is well-suited to an array of local cuisine. It has a very balanced presentation on the palate, appealing to dry and semi-dry wine drinkers alike. It is a great everyday white wine to share in good company.
