**Vineyard Source:** 93% Old Mission Peninsula, 7% Leelanau Peninsula  
**Bottling Data:** 1.45% residual sugar, 12.3% alcohol  
**Cases Produced:** 1306

Black Star Farms is located on the same 45th Parallel that runs through some of the world's great wine regions. Our unique "lake effect" climate allows us to produce classic varietal wines that truly express our dynamic wine region. Fruit is sourced from both the proprietor's vineyards and those of local grower partners on the Old Mission and Leelanau Peninsulas. This diversity allows us to obtain consistent quality across vintages.

### Vintage Overview

The 2022 growing season was one we'd like to see every year. We had a mild but sunny spring, plenty of sun and heat throughout the summer, and a substantial drought extending from mid-June through mid-August. We harvested early for the sparkling wines, and that fruit showed great development and chemistry. We had little rain in September, so disease pressure remained lower than usual until mid-October. We were burdened with more rain than was ideal for mid-season harvesting. Fortunately, most of the sensitive varieties were already in the winery. Our vineyard crews' dedication to canopy management is a big reason we get the quality fruit we do, even during challenging conditions. Early-released white wines show broad fruit profiles, beautiful aromatics, and a softer mouthfeel. Red wines will be good to excellent in quality and worth cellaring.

### Tasting Notes

This white offers aromas of lime sorbet, orange zest, and jasmine, with notes of ripe apricot, Meyer lemon, and McIntosh apple on the palate. The lively acidity is perfectly balanced by just a touch of residual sugar, resulting in a sophisticated and versatile Riesling.

### Thoughts for Food

Try this wine with spicy Thai or Indian cuisine, classic French and German dishes (with lots of cream or butter), or the umami-driven realms of charcuterie and aged cheeses.
