Appellation: Michigan
Vineyard Source: 70%
Old Mission Peninsula,
30% Leelanau Peninsula
Bottling Data: .94%
residual sugar, 12.2%
alcohol
Cases Produced: 1680

Black Star Farms is located on the same 45th Parallel that runs through some of the world's great wine regions. Our unique "lake effect" climate allows us to produce classic varietal wines that truly express our dynamic wine region. Fruit is sourced from both the proprietor's vineyards and those of local grower partners on the Old Mission and Leelanau Peninsulas. This diversity allows us to obtain consistent quality across vintages.

Vintage Overview

The 2023 growing season began with a mild but sunny spring, an early start with plenty of sun and heat throughout the summer, and moderate rain from mid-June through mid-August. We harvested early for sparkling and early ripening white wines, and that fruit showed great development and chemistry. We were then burdened with rain throughout October when it felt like we saw almost daily rainfall. Fortunately, most of the sensitive varieties were already in the winery. Our vineyard crews' dedication to canopy management is a big reason we get the quality fruit we do, even during challenging conditions. Early-released white wines show broader than normal fruit profiles and a softer mouthfeel. Red wines were more challenging, but the quality is generally still very good, namely because of detailed selection in the vineyards and sorting at the winery.

Tasting Notes

This white offers aromas of lime sorbet, orange zest, and jasmine, with notes of ripe apricot, Meyer lemon, and McIntosh apple on the palate. The lively acidity is perfectly balanced by just a touch of residual sugar, resulting in a sophisticated and versatile Riesling.

Thoughts for Food

Try this wine with spicy Thai or Indian cuisine, classic French and German dishes (with lots of cream or butter), or the umami-driven realms of charcuterie and aged cheeses.
